

Iowa League of Cities v. EPA

Purpose: EPA is considering whether to request that DOJ file a writ of certiorari in the above captioned case. Such request must be made by August 20, 2013.

Background:

In Iowa League of Cities v. EPA (March 25, 2013) the 8th Circuit Court of Appeals:

(1) vacated portions of two letters that EPA sent to Senator Grassley in response to his questions about blending and mixing zones because the letters constituted legislative rules that were promulgated without notice and comment rulemaking in violation of the APA; and
